### All I know...

Is that last Sunday was an incredible day. As I asked myself, “self, why was this day so great?” it hit me... it was the presence of God in our service that made it so good. Folks, there is a fine line between leading worship and manipulation. People are easily manipulated, people want to believe in something, and people are drawn to the spectacular. God help us if we are ever found guilty of manipulating people. Our goal (my goal) is to lead people to worship a God who is real, who loves us, and who desires our love and fellowship. When the Holy Spirit is present and unhindered, people are drawn into God’s presence. Once in God’s presence, one of two things happen: 1) Some people run away, for one reason or another, or 2) We worship. It is my desire that each one of us enters into God’s presence and enjoys the worship that God desires to bless us with. Bro. Werth

#### “JESUS, HOLD MY HAND”

1. As I travel thru this pilgrim land there is a friend who walks with me.

Leads me safely thru the sinking sand, it is the Christ of Calvary.  
This would be my prayer dear Lord each day to help me do the best I can.  
For I need Thy light to guide me day and night, blessed Jesus hold my hand.

#### CHORUS:

Jesus, hold my hand O Lord I need thee, every hour,  
Thru this pilgrim land, protect me by Thy power.  
Hear my humble plea, O Lord look down on me.  
When I kneel in prayer I hope to meet you there blessed Jesus hold my hand.

2. Let me travel in the light divine that I may see the blessed way.  
Keep me that I may be wholly thine and sing redemptions song some day.  
I will be a soldier brave and true and ever firmly take a stand.  
There’s no other friend on whom I can depend, blessed Jesus hold my hand.

#### “AMAZING GRACE”

1. Amazing grace! How sweet the sound, that saved a wretch like me!  
I once was lost, but now am found, was blind, but now I see.
2. ‘Twas grace that taught my heart to fear, and grace my fears relieved;  
How precious did that grace appear, the hour I first believed!
3. When we’ve been there ten thousand years, bright shining as the sun,  
We’ve no less days to sing God’s praise than when we first begun.

#### “OPEN MY EYES”

1. Open my eyes that I may see, glimpses of truth Thou hast for me.  
Place in my hands the wonderful key that shall unclasp and set me free.  
Silently now I wait for Thee, ready my God, Thy will to see.  
Open my eyes illumine me, Spirit divine.
2. Open my ears that I may hear voices of truth Thou sendest clear,  
And while the wave notes fall on my ear, every thing false will disappear.  
Silently now I wait for Thee, ready my God, Thy will to see.  
Open my ears illumine me, Spirit divine.
3. Open my mouth and let me bear, gladly the warm truth everywhere.  
Open my heart and let me prepare, love with thy children thus to share.  
Silently now I wait for Thee, ready my God, Thy will to see.  
Open my eyes illumine me, Spirit divine.
