My see y'all later

My last Sunday will be either the 17th or the 24th of May.

I would also like to ask if a few high school boys, college men, or men of the church could come help with a few heavy items. Also, if anyone has ramps. I need to put my riding lawnmower in the back of my truck The date for that is the 5th of June. Thank you for being there for my family through so many seasons of our lives — from our very first visit, to becoming members, through Alan’s stroke, and through the loss of Alan. Your love, prayers, and support have meant more than words can express. Please continue to watch over my babies and keep our family in your prayers. This is not goodbye, because I will be back. As I begin this new chapter of traveling through the northern states and Canada, I ask for your continued prayers for safe travels, strength, and guidance along the way. Thank you again for being such a blessing to me and my family.

With love and gratitude, Angela Dalley
