ARE STARTING A NEW BIBLE STUDY Tues. April 26th

The Names of God

Today's culture can present a distorted view of God. Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation. In a world where we find people creating God in their own image, studying God's names can remind us that we are created in His Name. In fact, one of the best ways to know God's true character and grow closer to Him is to study His names.
