### GRIEFSHARE Next Sessions Starting Monday, Sept. 7<sup>th</sup>

<https://www.griefshare.org> No matter what the circumstances, grief is a painful, confusing process. A Grief Share group is a safe, welcoming place where people understand the difficult emotions of grief. At this support group program, you'll discover what to expect in the days ahead and what's "normal" in grief. Since there are no neat, orderly stages of grief, you'll learn helpful ways of coping with grief, in all its unpredictability—and gain solid support each step of the way.
